Please join the Southwood Neighborhood Association Board on Tuesday August 2nd, 2016 in observance of **National Night Out**. This is an opportunity to meet neighbors and enjoy the evening. The clubhouse will be open for tours.

The focus of **National Night Out** is to bring neighbors and communities together with various events.

We will be inviting the Fire Department (and their trucks ☺) Police Department, public officials, and hopefully have some fun.

The Southwood Board will provide; table service (paper plates, silverware, napkins and cups) and a beverage.

YOU will need to bring; a covered dish or desert to share, chairs/blankets to sit on and an attitude to enjoy the evening.

We are hopeful that residents will embrace this opportunity and join us. This is YOUR neighborhood and YOUR community. Together we are stronger.

See you on August 2nd!

Hill School News:

In the words of Alice Cooper, "School's out for summer!"

Hill School students wrapped up their school year May 19th, knowing they had no homework, no research papers, and no assignments of any kind until August 12th. The last day of school is an easy day for students and teachers alike, and sometimes it was hard to decide who has the biggest smiles.

We would like to thank the Hill School faculty and staff for their commitment to our children.

Southwood residents: please be aware that the children will be out playing at a variety of hours so as you are traveling in your vehicles in our neighborhood, be aware, attentive and cautious so our children can be safe.
